Broom Broom

Brecken Hancock

Broom Broom Brecken Hancock

Nothing slips by Brecken Hancock's deft ear as she seductively plumbs the depths of the evolution of bathing, doppelgangers, the Kraken, and the minutiae of family with all its tragic misgivings. The poems in *Broom Broom* pervert the rational, safe parts of the world to extoll and absorb the sweep of human history.

*What I mean to say is, the evidence is always there.
From where we stand, we confuse lampposts for ghosts.*

Brecken Hancock's poetry, essays, interviews, and reviews have appeared in several journals, including *Event* and *Fiddlehead*. She is reviews editor for *Arc Poetry Magazine*.

Broom Broom won the 2015 Language Trillium Book Award for Poetry (English Language), which comes with a \$10,000 cash prize. The Jury's citation for *Broom Broom* read:

"Personal history and private pain are made public, historical, mythological, science fictional, and monumental in this eerie, resonant debut. Hancock's poems astonish with their breadth of reference, their dense soundscapes, their terrifying wisdom, and their centrifugal emotional force."

From reader reviews:

Nancy Mitchell:

Book is actually written, printed, or highlighted for everything. You can realize everything you want by a book. Book has a different type. As you may know that book is important factor to bring us around the world. Next to that you can your reading skill was fluently. A e-book Broom Broom will make you to become smarter. You can feel more confidence if you can know about almost everything. But some of you think which open or reading a book make you bored. It is far from make you fun. Why they could be thought like that? Have you trying to find best book or appropriate book with you?

Babara Lopez:

Information is provisions for anyone to get better life, information nowadays can get by anyone with everywhere. The information can be a know-how or any news even an issue. What people must be consider while those information which is within the former life are difficult to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you obtain the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take Broom Broom as the daily resource information.

Clarence Nelson:

The reason? Because this Broom Broom is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such awesome way makes the content inside of easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have such as help improving your proficiency and your critical thinking means. So , still want to hold up having that book? If I were you I will go to the publication store hurriedly.

Arturo Lamb:

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try and pick one book that you find out the inside because don't determine book by its include may doesn't work here is difficult job because you are frightened that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer could be Broom Broom why because the amazing cover that make you consider in regards to the content will not disappoint you. The inside or content is definitely fantastic as the outside or maybe cover. Your reading sixth sense will directly direct you to pick up this book.
