Have a real conversation with God, you can write anything you like, maybe you would like to ask what he has planned for you? Or perhaps you wish to thank him for all the blessings in your life.

I began writing personal letters to God in 2015. It had been a hard year for me and my family. Although surrounded by loved ones I often felt the only person I could confide in was God himself. I begin writing one letter a month, then it turned to one a week and now I write one letter to God each and every day. It was an amazing experience to look back over the many letters I had “sent” to him that year. It was then I realised how much my relationship with the good Lord had evolved and grown. I knew I had to share this with the world, the help ordinary people like me build a real, authentic and personal relationship with God.

This “Letters to God” style journal has helped me form a very strong bond with God, it has helped me true the good times and the bad and I am sure it will help many people for many years to come.

I challenge you to try it, just give yourself one month of writing these intimate letters to God and he will welcome you with open arms.
