## **Farmers of the Golden Bean: Costa Rican Households, Global Coffee, and Fair Trade - Second Edition** Deborah Sick

Sick explores contemporary issues of gender, empowerment, access to resources, and Fair Trade as she examines how Costa Rican coffee-producing households cope with the complexities of a globalizing world economy. Using a commodity approach, she integrates household, regional, and global processes. *Farmers of the Golden Bean* challenges previous assumptions about the nature of economic change and the sustainability of household producers in the global economy.
