**Liberty - A ROUSING TALE OF DANGER ON THE HIGH SEAS --**

When Santiago is thrust into the farm's pigsty, Penelope is captivated by Santiago Talbert's boast, "I plan to sail the Seven Seas." Together, these extraordinary pigs escape the farm and cross into the land of Liberty, a parallel world where an intelligent human or animal can get ahead. They follow their dream to Boston Harbor, where they try to convince sea captains that pigs can sail. First, though, Santiago learns mapmaking, while Penelope works on the docks loading ships. Eventually Penelope signs onto the Ice King's crew as he cuts and packs ice to ship to the far-flung corners of the world.

When the fleet of ice ships sails, Penelope and Santiago join the crew of the flagship, captained by Captain Kingsley, the Ice King himself. A massive polar bear, he harbors dark secrets, and the pigs face the shocking truth: they alone can save the friendly sea serpents from the Ice King's clutches.

From the fascinating world of tall ships comes this unlikely tale of humble pigs who follow their dream. Come and join the Talberts on their journey.

### **From reader reviews:**

#### **Marie Gambino:**

What do you think about book? It is just for students as they are still students or this for all people in the world, what the best subject for that? Only you can be answered for that question above. Every person has different personality and hobby per other. Don't to be obligated someone or something that they don't want do that. You must know how great along with important the book Liberty. All type of book are you able to see on many options. You can look for the internet methods or other social media.

#### **Ross Fletcher:**

Don't be worry if you are afraid that this book will filled the space in your house, you will get it in e-book approach, more simple and reachable. This particular Liberty can give you a lot of buddies because by you looking at this one book you have issue that they don't and make an individual more like an interesting person. This specific book can be one of one step for you to get success. This guide offer you information that maybe your friend doesn't realize, by knowing more than different make you to be great folks. So , why hesitate? We need to have Liberty.

#### **Robert Lindsey:**

Do you like reading a e-book? Confuse to looking for your best book? Or your book seemed to be rare? Why so many issue for the book? But almost any people feel that they enjoy intended for reading. Some people likes studying, not only science book but novel and Liberty or maybe others sources were given understanding for you. After you know how the great a book, you feel need to read more and more. Science guide was created for teacher or maybe students especially. Those guides are helping them to put their knowledge. In different case, beside science e-book, any other book likes Liberty to make your spare time far more colorful. Many types of book like this.

#### **Michael Crew:**

A lot of guide has printed but it differs. You can get it by online on social media. You can choose the most beneficial book for you, science, comic, novel, or whatever by searching from it. It is known as of book Liberty. You can include your knowledge by it. Without making the printed book, it could add your knowledge and make you actually happier to read. It is most significant that, you must aware about reserve. It can bring you from one place to other place.
