Raptors in Captivity: Guidelines for Care and Management Lori R. Arent

A first-of-its-kind resource, *Raptors in Captivity* is designed as a reader-friendly reference tool covering a wide range of topics from making the decision to keep raptors and choosing suitable species, to housing and transportation, diet, medical care, equipment, training, and recovering a lost bird. From the novice to the experienced, this book provides everyone with the most current techniques -- drawn from a consortium of experts and not available in any other written form -- for successfully managing a variety of raptor species in captivity.
