## **The 3rd Option** Ben a. Sharpton

Allan Chappel enrolled in seminary to change the world, but people lied and people died, and he turned in his clerical collar for an office cubicle. Now, years later, the ghosts of his past are back to haunt him, and they're uglier and more powerful than before. When the offices of a new medical think tank called Inc.Ubator are destroyed in a fiery blast, Allan finds himself the prime suspect and the target of an international manhunt. Forced into hiding, he sets out to find the terrorists responsible and clear his name. But his quest for answers only leads to more questions: What were the researchers at Inc.Ubator hiding? And who was willing to spill blood to keep their work a secret? Allan must stay alive long enough to untwist the truth. Unfortunately, the forces opposing him will stop at nothing to prevent the release of the 3rd Option.
