## **The Black Sheep** Jim Moore

Jim Moore's memoir proves that it is possible to overcome parental abuse, a substandard inner city elementary and secondary education, anger problems which may have been caused by bipolar disorder, and mental illness, if a person loves the Lord and follows His commands. It proves that a person can find healing and peace when he places the Shepherd first in his life. Jim Moore has worked in the field of mental health counseling for over 20 years. He holds a bachelor's degree from Utica College, a master's degree from Cairn University, and a doctorate from Newburgh Theological Seminary. A native of Philadelphia, Jim is married and has two adult stepchildren, as well as two grandchildren. He resides in Ardmore PA.
