The Mental Game of Tennis: Competing One Point at a Time (Masters of the Mental Game) (Volume 17) Brian M. Cain

Every point in tennis has a life and history of its own. In most matches there will only be a handful of points that determine the outcome of that game. As a coach or player, you never know what point will be the one that makes the big difference, so you have to treat them all as if they are going to be that big point. Playing the game of tennis one point at a time is what the mental game is all about. Giving yourself the best chance for success on this point in turn gives you the best chance for success in this game, this set and at the end of the match. This book is an extensive collection of my experiences working as a mental conditioning coach in the sport of tennis and is a body of work that, when put into action, will unlock your potential and take your game to the next level. This is a book about the process of becoming a player, coach or a program of excellence. This is a book about training to become a champion so that you can win more championships. You must first be a champion of the mental game before you will win championships consistently. If you want more, you must become more. This is a book written for you to become more so that you can get more out of yourself and others. This book will provide you with the guiding principles that will give you the best chance for success in tennis and in life. The material in this book has worked for real tennis players and coaches in real college and high school programs around the country. This is not a book on theory; it is a book on APPLICATION! Whether you are a veteran of the mental game and tennis or just getting started, this book will provide insight and information you can use IMMEDIATELY to start becoming more and becoming a master of the mental game.
