Business in the Contemporary Legal Environment provides complete coverage of the areas typically included in a one-semester legal environment course: Foundations of Law; Contracts, Torts, and Crimes in Business; Business Organizations, and Government Regulation. The use-friendly text is written in an informal style and avoids "black letter law" statements whenever possible. Each chapter begins with a Classic Case and ends with a Contemporary Case, and the accompanying introductions and questions make the cases readily accessible to students. At least three strategy boxes in each chapter give practical advice to a business person dealing with the material under consideration.
