It's High School Musical—rated R!

When the girl who's foresworn men meets the boy who's devoted himself to picking up women, there's bound to be drama—perfect for a sixweek summer program devoted to the arts. Olivia's summer goal: to write a musical that censures men with wandering eyes. Max's summer goal: to hone his acting skills, along with his talent for attracting the ladies. Before camp is over, they'll perform Olivia's musical onstage *and* in real life—though the ending may turn out differently than either expects.

Jake Wizner's story within a story takes the battle of the sexes to a whole new level in a bawdy, uproarious romp that's laugh-out-loud fun.
