Confessions of a Reformed Road Warrior Matthew Douglas McGinley

A limited signed first edition of the testimony and learning of negligent driving leading to road rage that can be overcome through awareness and faith, covered in nine chapters and seven supplements. Written mostly from a biographical viewpoint of a negligent driver who confessed and testified of undesirable driving situations that led to a subsequent, deep self-evaluation and reform. Includes second- and third-person narratives that discuss various general automobile topics. Referenced and illustrated. This book can be read as a tutorial or be used as a quick-reference guide to physiological and psychological causes of all kinds of bad driving. The underlying theme is that of the inescapable influences of both good and evil spiritual forces, while remaining non-prejudicial and non-condescending.

Sometimes, there is more to driving than just meets the eye. Never before has a formerly negligent and reckless driver come forth with valid testimony about the negative, hellish feelings and consequences of driving like a maniac. Mr. McGinley gives credible explanations as to the dangers of risky driving and the benefits of hypocrisy awareness, and how such an awareness is also an integral part of the Christian faith. Not preachy, not a sunshine lecture, just the straight facts from an ordinary citizen sharing how his previously undesirable actions behind the wheel caused more anguish than was thought possible. No other book about driving covers important topics as they are related to driving and Christian principles in such relevant detail. Sometimes, it's what is *not* seen that matters the most.

This is M. D. McGinley's first published book and a Limited Signed First Edition. The print run was limited to only 200 copies. No other editions of this title exist, making it very rare and a true collectible. Each copy was signed in diminishing rarity as follows: black ink, approximately 120 copies (exact number of black signatures unknown); blue ink, approximately 47 copies (exact number of blue signatures unknown); red ink, 22 copies; green ink, 10 copies, and 1 copy of 200 signed by the author in purple ink, making the latter an ultra rare find, with only one copy in existence. What is more, *Confessions of a Reformed Road Warrior* was printed by a printer who no longer manufactures perfect-bound books, adding even more value to your collection while at the same time offering the most effective, no-fluff and straight-forward testimony known about the negative consequences of bad driving. Acquire each of M. D. McGinley's Limited Signed First Editions, and don't stop until you get all three of his automotive books signed in purple ink. This is something not known to have been offered before by any author in history: a truly extraordinary opportunity to acquire an author's first, second and third limited signed first editions in one collection, with only one copy of each in existence signed in purple ink. Even if you manage to acquire the very rare green or red signatures, the search is just as much fun as the catch!
