It's Showtime: Circus Tricks: Learning Fun for Horses and Rider Sylvia Czarnecki

Circus tricks don't just look impressive, but they also develop trust between horse and handler, supply exercise, and bring variety into training. What is special about this book is that the author doesn't represent one single training system but instead combines years of practical experience and her knowledge of equine learning behavior to show how to train towards exercises such as bow, lying down, sitting, and more. Tricks covered here include warm up, bow, mountain goat, sitting up and lying down, the sit, and Spanish walk.
