Striving To Be Accepted Jimmy Hayes, Theresa J. Nichols

This book is a true story about a man of God who reflects on his life and how God has brought everything full circle. As he writes this book he reveals and unravels how God used every single thing, every single heartache, every single feeling of being different, and used it for good. As you read this book, it will take you down the paths of his life from a boy until now and if it affects you as it did me, you will weep in the sweet presence of Jesus as you watch Jesus take this young boy who had to see and hear more than anyone should have to see and hear...and how Jesus took him into ministry and gave him a heart full of compassion for the lost and the love of his family and his desire to leave a legacy for his children. God has a plan for you too because Jesus is no respecter of persons. May this book enlighten you over some things in your life too. How this book came to be: Note from the Publisher I want to share with you how this book came into being. When it was time for this book to be published, God wanted it done quickly. I remember sitting in church one day and the presence of God was so precious. I heard the Lord tell me to give Him everything I had. So, I had a few dollars and reached in to give it when the Lord said, "You have a dime in the bottom of your purse." My purse is like a hurricane, I had to dump it out on the seat and there it was, the dime. I gave it into the offering plate that day. After the service Pastor Jimmy told me that God told him to write this book and he had another publisher in mind. But, in the middle of the service, God told him to use me. While I was in my office in my house typing Jimmy's book from audio, I heard my husband open the kitchen door and walk towards my office. I had the door closed and really didn't want to break the momentum, so I whispered, Lord don't let my husband interrupt me until I finish this book. I heard the footsteps come right to the door, then stopped. A few hours passed and I finished typing when I heard the kitchen door open and I heard my husband come in. I asked him if he had come in earlier and he had not. God had stationed an angel to guard the door so I could finish this book. Three years have come and gone since that day and we are re-publishing this book with a few different cover options, but the story is the same. This book is from God to you. I pray it helps you to be all that God created you to be. God bless you, Theresa J. Nichols Publisher
