Exploring Green Lanes in the South Hams: 25 Circular Walks Valerie Belsey

The South Hams in south Devon is an area of outstanding beauty, with a wealth of ancient green lanes. These tracks - some of which were ancient packhorse ways, drover's or smugglers' routes - are a hidden network of byways and a living link with past centuries. This new book contains twenty-four circular routes which are suitable for walkers, horse-riders and/or mountain bikers, and which incorporate green lanes in the South Hams. Each chapter includes a map showing the walk, together with the history of the lane and the local area, wildlife, etc.
