Southeast Asian Textiles Claire Wilbur

The exquisite diversity of textiles in this book will fascinate all who behold them! Southeast Asian textiles have long been recognized on the world's international market as superb examples of textile art. This book explores their artistic significance, providing an overview of the various styles, designs, and decorative techniques through over 260 color photographs. It gives practical suggestions for collectors on how to care for, value, and use specimen textiles in the home. Chapters are devoted to batik (wax-resist decorative dyed cloths), ikat (bind-resist dyed and woven textiles), decoratively woven forms from stripes to tapestry, and beautifully embellished textiles with beadwork and embroidery. Southeast Asian language and technical terms are further explained in an extensive glossary. Textile designers will be inspired by the traditional and modern interpretations of design and symbols, including leaves, birds, animals, and mystical creatures. A price guide is included.

From reader reviews:

Troy Cochran:

This Southeast Asian Textiles book is just not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book is usually information inside this reserve incredible fresh, you will get info which is getting deeper you actually read a lot of information you will get. This particular Southeast Asian Textiles without we understand teach the one who studying it become critical in contemplating and analyzing. Don't be worry Southeast Asian Textiles can bring if you are and not make your case space or bookshelves' come to be full because you can have it within your lovely laptop even phone. This Southeast Asian Textiles having good arrangement in word along with layout, so you will not truly feel uninterested in reading.

William Quesada:

Playing with family in a park, coming to see the water world or hanging out with good friends is thing that usually you may have done when you have spare time, then why you don't try factor that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Southeast Asian Textiles, you may enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout fellas. What? Still don't get it, oh come on its referred to as reading friends.

Fred Musso:

Are you kind of stressful person, only have 10 as well as 15 minute in your moment to upgrading your mind skill or thinking skill even analytical thinking? Then you have problem with the book than can satisfy your short period of time to read it because all this time you only find book that need more time to be read. Southeast Asian Textiles can be your answer as it can be read by you actually who have those short extra time problems.

Gale Velez:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book was rare? Why so many question for the book? But virtually any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but in addition novel and Southeast Asian Textiles or others sources were given know-how for you. After you know how the good a book, you feel need to read more and more. Science book was created for teacher as well as students especially. Those textbooks are helping them to add their knowledge. In different case, beside science e-book, any other book likes Southeast Asian Textiles to make your spare time far more colorful. Many types of book like this.
