The Workbook and study guide is a companion study guide for the Catholic Demonologist handbook. In itself it can also be a stand alone resource guide to further the continual and serious study of "Christian-Judeo" Demonology and spiritual warfare. The book is arranged topically, where it begins with 100 questions in a "self quiz" for the reader, (true or false, multiple choice) In the remaining 200+ pages, each one of these possible answers are individually detailed and outlined in order that each of the selections are clearly defined. A specific example would be: as it may be either "true", merely theoretical (inconclusive), or a complete myth. Or several selections maybe correct for the question. "The book has no ambiguity, it is clear and straight forward and it cuts to the heart of things one has to know about this very dangerous subject."
