Elena Vizerskaya Nights & Mornings: Levitazio Collection (Elena Vizerskaya Levitazio Collection) (Volume 1) Elena Vizerskaya

This is the first publicly available book of Elena Vizerskaya art work. How to describe Elena in a few words? She's a cult artist, an amazing creative soul, already awards winning, already noticed, breathing and living by her art. Elena says "I want what I see, and I see what does not exist..." " She lives in a metaphysical space and she allows us to peek inside that space. Elena is a wonderful talented Ukrainian photo artist whose imagination changes original images adding powerful stories and sometimes – just questions. She creates enigmatic universes teeming details with surgical precision. Her works are inspiring, they make you think. They make you discover new things. She doesn't like to talk about herself, her feelings and ideas – she's not such a verbally inclined type of person. Her art is her words. She can show you things no one can. Elena's works are dark, sexy and charming at the same time. Angelic beauties and hell demons, ecstatic color bursts and foggy almost monochromatic places where death lives. Each composition - a projection of Elena's emotions, dreams or fantasies. This art book is a first in a series of Elena's albums.
