Oral Medicine and Pathology At A Glance is a title in the highly popular *at a Glance* series. It provides a concise and accessible introduction and revision aid. Following the familiar, easy-to-use *at a Glance* format, each topic is presented as a double-page spread with key facts accompanied by clear diagrams, clinical photographs, and useful quick-reference tables, encapsulating essential information.

Systematically organized and succinctly delivered, *Oral Medicine and Pathology At A Glance* covers:

- The most important conditions, by frequency and severity, in oral medicine and pathology
- Commonly encountered oral lesions and pathologies
- Oral manifestations of common systemic diseases
- Differential diagnosis
- Clinical management of these conditions

Oral Medicine and Pathology At A Glance is the ideal companion for all students of dentistry and recently qualified clinicians. In addition, through its focus on oral health care provision in general practice, the text will provide valuable insight for general dental practitioners wanting to update their knowledge of oral medicine and pathology, dental nurses, hygienists and therapists.
