## **Not All Ninjas Are Boys!**

Isabella Edens is a second grade student. She likes to read, write, and do martial arts. Isabella decided she would like to be an author and an illustrator when she grows up and came up with the idea to write a kid's book about one of her favorite subjects-ninjas!

As part of her summer writing project Isabella worked hard to come up with the theme, plot, and story. She created all of the content and edited the illustrations and cover to her exacting specifications.

Isabella lives in California with her Ninja Family and a Ninja Dog.
