*Louise Erdrich*

**The Round House** Louise Erdrich

*The Round House* won the National Book Award for fiction.

One of the most revered novelists of our time—a brilliant chronicler of Native-American life—Louise Erdrich returns to the territory of her bestselling, Pulitzer Prize finalist *The Plague of Doves* with *The Round House*, transporting readers to the Ojibwe reservation in North Dakota. It is an exquisitely told story of a boy on the cusp of manhood who seeks justice and understanding in the wake of a terrible crime that upends and forever transforms his family.

Riveting and suspenseful, arguably the most accessible novel to date from the creator of *Love Medicine*, *The Beet Queen*, and *The Bingo Palace*, Erdrich's *The Round House* is a page-turning masterpiece of literary fiction—at once a powerful coming-of-age story, a mystery, and a tender, moving novel of family, history, and culture.
