Thomas Horn

Best selling author Thomas Horn had been wrestling with certain images and enigmatic information for years having to do with the beliefs of an Occult Elite pertaining to the return of a pagan deity, which they believe will rule a final earthly empire. The Bible identifies this personality as the Antichrist. But now things were making sense to Thomas – world affairs, changes to U.S. domestic and foreign policy, a renewed focus on the Middle East, Israel, Iran, Iraq, Babylon – and he found it astonishing. The words, deeds, gestures and coded language of the world's most powerful men were clearly pointing to an ancient, prophetic, cryptic and even terrifying reality. What even the best researchers of the Illuminati and veiled fraternities such as the Freemasons were never able to fully decipher is spelled out herein for the first time. The power at work behind global affairs and why current planetary powers are hurriedly aligning for a New Order from Chaos is exposed. Perhaps most incredibly, one learns how ancient prophets actually foresaw and forewarned of this time. Thomas believes this New World Order is very near.
