Formula 1 in Camera 1970-79

Paul Parker

Formula 1 in Camera 1970-79 Paul Parker

This beautifully illustrated, deeply nostalgic book examines the evolution of the Grand Prix genre through one of its classic decades, when the sport moved into the increasingly commercial and high-tech era. It is also the story of how sponsors took over the main identity of the teams, with the sport becoming global as the English-speaking drivers were joined by newcomers such as Emerson Fittipaldi, Ronnie Peterson, Jody Scheckter, Niki Lauda and Nelson Piquet.
