My Work Book: How to Find a Job - Even During Tough Times - And Survive Your First Year in the Workplace Zelda Freud

Finding a job and settling into the first year in the workplace are definitive phases in the life of a twentysomething. MYWORKBOOK will guide you through the challenges and doubts of your job search, and it will offer tips and insights on how to survive your first year on the job. A Q&A section covers topics that are challenging for recent college graduates from the job search to the actual first year of work experience. An interview section displays top Do's and Don'ts from five professionals, from a Sony Music Contract Coordinator to a Deloitte & Touche Director. With the state of the current market and the uncertainty of what's going to happen next, it is more important than ever to submit high quality resumes and cover letters during your job search, and to work even harder to make sure nothing is falling through the cracks as you start your first working experience. MYWORKBOOK will bring the best out of you and make you shine like a star!
