Perilous Fight: America's Intrepid War with Britain on the High Seas, 1812-1815 Stephen Budiansky

In *Perilous Fight*, Stephen Budiansky tells the rousing story of the U.S. Navy during the War of 1812, when an upstart American fleet fought off the legendary Royal Navy and established America as a world power for the first time.

Through vivid re-creations of riveting and dramatic encounters at sea, Budiansky shows how this underdog coterie of seamen and their visionary secretary of the navy combined bravery and strategic brilliance to defeat the British, who had dominated the seas for more than two centuries. A gripping and essential history, this is the military and political story of how the U.S. Navy became a permanent and essential part of the nation's defense.
