## Step Lightly: Poems for the Journey

The poems in this collection come from Nancy Willard's cardboard boxes--she's collected them to accompany her on her journey through life, and she hopes young people will take them along on their own adventures. Works by well-known poets--Elizabeth Bishop, e. e. cummings, Emily Dickinson, and Wallace Stevens--are gathered here, along with verse from lesser known writers from other countries and other times. All of the poems in *Step Lightly* share a common readability, and the spark of joy that caught a remarkable poet's eye.

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Step Lightly: Poems for the Journey can make you experience more interested to read.
