A Pilgrimage to Iceland John C. Wilhelmsson

After the sudden loss of his father a son recalls a trip they had planned to make together. A trip to his father's homeland of Iceland some fifty years after he had departed. The son decides to set out upon the journey alone in order to honor his father's memory. To set out upon a pilgrimage to Iceland. This true story features many original photos. A unique combination of personal, philosophical, and spiritual reflections this book's sense of immediacy and wonder seeks to literally bring the reader along on the adventure, while its sense of reverence for the Icelandic culture, land, and people sets it apart from other tales of Iceland. This is Iceland as seen both through the mind and through the heart.
