An inspiring and patriotic tribute to the beauty of the American flag, a symbol of America's history, landscape, and people, illustrated by *New York Times* bestselling and Caldecott-honor winning artist Kadir Nelson

Wonderfully spare, deceptively simple verses pair with richly evocative paintings to celebrate the iconic imagery of our nation, beginning with the American flag. Each spread, sumptuously illustrated by award-winning artist Kadir Nelson, depicts a stirring tableau, from the view of the Statue of Liberty at Ellis Island to civil rights marchers shoulder to shoulder, to a spacecraft at Cape Canaveral blasting off. This book is an ode to America then and now, from sea to shining sea.

Peter Delaune:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Blue Sky White Stars can make you truly feel more interested to read.
