## **Human Reflections:: Inspirational Expressions, Commentaries, and Sayings of Life** M. Glenn Lawson

This work is a product of my observations, pitfalls, successes, and hopes for my own life and the life of others. This work is a work that charts my progress and illustrates my personal and innate ability as a human being to seek good despite being surrounded by adversity. I have not been entirely, negatively affected, and I am expressing how one, despite pitfalls, can live and see life in a more meaningful way. We live in an age of great disappointment, and we are all building our lives upon the successes and tragedies of others, and if we remember that no door closed can every stay closed forever, then reflecting on the possibilities of one's potential success can result in our own success and inspiration for those who observe and follow us.
