Stone Deaf Sound Waves

James Milton Smith

Stone Deaf Sound Waves James Milton Smith

Haikus are an age-old Japanese poetry form organized in lines of 5-7-5 syllables. Stone Deaf Sound Waves is a westerner's impression of these wonderfully expressed and compact lines. The haikus convey visualizations and understandings that touch the spirit of the reader. They can be humorous, irreverent and thought-provoking, and include observations on nature, life, love, and the innermost feelings we all have.
