Take a tour of the human body in this fact-filled book that includes six body system acetate cards: muscular, cardiovascular, respiratory, nervous, digestive, and skeletal.

Have you ever stopped to think about how amazing your body is? Thousands of parts all operate together like a living machine—more complex than any machine on Earth. Inside this book, kids will learn about many of the systems that make up the body—skin, skeletal, nervous, cardiovascular, respiratory, digestive, and muscular. Body-shaped acetate cards printed with six different body systems help kids see how the systems work together to create a multifaceted learning approach to anatomy.
