The Faceless One; Satan himself, using the guise of the Faceless One to bring his chosen ones to him, to commit unholy, Godless acts. We, as a people think that we have some control over our own lives, that God will always be with us, but as it says in the Bible, Satan has his domain and power over us, freewill and temptation be damned, if we ignore His word and let Satan guide us. The Coffin In The Garden is a perfect example of what the arm of the Devil, The Faceless One can do to us, to our lives, if we let him. The Williams family, along with a host of misguided people, people wishing for or hoping for something in their lives that they need and or want, but, are cut short of realizing those dreams, just as they are about to come true, are a prime example of what Satan can do to our lives, once we let him in.
