## **Identity** Anthony Toro

Newly promoted to Chief Financial Officer (CFO) for a Financial Services Company, Tobin Garrison appears to have everything going his way until one evening a tragic event hurls his life into chaos. Suddenly, Tobin finds himself a victim of identity theft and the target of a police investigation for murder. He struggles to prove his innocence and hold on to the remnants of a life he once knew. With time against him, Tobin initiates his own investigation into recent events and stumbles upon evidence that begins to contradict everything he believed to be factual. Unfortunately, the evidence he discovers that may lead to proving his innocence is shrouded with uncertainty. Will a man face prison or even death for a crime he may not have committed?

### From reader reviews:

#### **Lydia Rogers:**

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each publication has different aim or maybe goal; it means that e-book has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They are reading whatever they consider because their hobby will be reading a book. Why not the person who don't like reading through a book? Sometime, particular person feel need book if they found difficult problem or even exercise. Well, probably you'll have this Identity.

#### **Maurice Neely:**

As people who live in typically the modest era should be upgrade about what going on or information even knowledge to make these individuals keep up with the era which can be always change and move forward. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know what type you should start with. This Identity is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

#### **Willis Harrington:**

Identity can be one of your basic books that are good idea. All of us recommend that straight away because this reserve has good vocabulary that may increase your knowledge in terminology, easy to understand, bit entertaining but nonetheless delivering the information. The article author giving his/her effort to set every word into pleasure arrangement in writing Identity although doesn't forget the main point, giving the reader the hottest and also based confirm resource information that maybe you can be one of it. This great information can drawn you into completely new stage of crucial thinking.

#### **Lupe Holloway:**

What is your hobby? Have you heard that will question when you got learners? We believe that that concern was given by teacher to the students. Many kinds of hobby, All people has different hobby. So you know that little person including reading or as examining become their hobby. You need to understand that reading is very important in addition to book as to be the factor. Book is important thing to add you knowledge, except your current teacher or lecturer. You see good news or update concerning something by book. Many kinds of books that can you choose to adopt be your object. One of them is this Identity.
