Who can judge a person's reactions during stress situations? The prisoner of war who gives in to his captors' demands, the kidnapped heiress who joins forces with her abductors — both must act without past experience to guide them. The end result can be either a very negative or a positive experience. Annabelle Jackson finds herself in just such a situation. Held captive, then degraded and forced to perform abnormal sexual acts, she nonetheless finds within herself hidden resources, a strength of character she never realized she had. Annabelle Jackson suffers through an unspeakably horrible experience, but she comes through with her sensibilities intact, knowing she is more of a woman.
