'Life: A Sorrowful Journey' is a beautiful eloquent thought, which has been successfully installed in the form of collection of papers that creates a terminology of often refer to as 'book'. This book shows a scenario of a person's life. It gives the answer to a person's personal questions likely, "For what is he made for? What is he actually? Why does he face sorrows and solaces of the world? Why is it, that he feels the misery of the world? Why is it that at the end, he has to die? Why is it? Why is it?" The personalities who are disgusted with their lives, the one whose mind always round around the idea of excess of anger, lust, greed and addictions, the one who are minded with the idea of committing the stupid self-criminal offence like suicides, for them this book is a path for heaven. Keeping the idea of bleeding hearts, those who are unhappy with their lives and want to end it uselessly, for them this book is being written in order to save their lives and place them in a path of infinite happiness. This book provides the idea of self-confidence, self-reliance and self-knowledge to some extent. This book is actually nothing in front of the India's most precious jewel, said by Lord Sri Krishna, 'Srimadbhagwatgita'. Even the comparison of this book with such a melodious precious and jewel of infinite glory can be considered as the most unwise thought yet to tell the readers about the essence or importance of "Srimadbhagwatgita", I have written such a line above. The one who are played by the most disloyal fate, they are supposed to surrender unto Lord's lotus feet in order to gain his mercy. This glorious and eternal emotion of most beautiful surrendered life is the basic trial of teaching the readers about. This book also contains elementary knowledge, in the form of stories and many other practical ways. This Book along with its readers and non-readers, prays to the Lord for everyone's happiness and peaceful life. Those who are trying to attain permanent peace in the world, but are unable to attain it due to their childish mind in desires, are recommended by the author, not of this book but of this world, to surrender everything unto him. Lord Krishna is merciful, very sweet, beyond description, it's his promise, "If you'll move towards me one step, I'll move towards you infinite number of steps and make you free from all your sorrows. Just leave all your desires and love me." This book is written only in a mood to make its reader free from sorrows of the life and make them always in a mood of love. This is what which cannot be earned by money but by a simple surrender. Jai Sri Krishna.
