Light Warriors Joyce Tenneson

A series of dramatic, up-close portraits of women, all taken with Polaroid's remarkable 20 x 24-inch camera. These striking images are reminiscent of Tenneson's earlier work (Transformations and Illuminations) in their haunting, dreamlike qualities. However, these striking portraits of the female figure, often partially nude, draped in fabric, with unusual headdresses or objects in their arms, illuminated by eerie light, are unforgettable and a bold departure from her earlier work. A must for Tenneson's loyal fans -- the photographic, feminist, and spiritual market -- and also for a more general audience, capitalizing on her increasing visibility in the fashion field.
