Saint Death: A Reagan Moon Novel (Volume 2) Mike Duran

Reagan Moon didn't plan on being an earth guardian. He was your average paranormal reporter...until 1,000 volts of raw electricity fused an ancient relic into his sternum. It left him with Powers and lets him do things most humans can't. There's others like him, seven of them to be exact. They call themselves the Imperia and are charged with keeping earth from going down the toilet. This usually involves fighting monsters, tweaking the laws of physics, and keeping lots of booze and bandages on hand. But when Saint Death comes knocking, no amount of holy water and hand grenades can slow her roll. She's the queenpin of the Santa Muerte pantheon. The folk religion's central deity often appeared as a Virgin or a bride. Some called her the Grim Reapress. But mostly she was known as Saint Death. Now she's got a companion. With the help of the Summu Nura, a Neuro priestess has rediscovered the Grimoire of Azrael, the Archangel of Death. And the Tenth Plague is about to be unleashed upon Los Angeles. Apparently, only Moon and his weathered compatriots can prevent the angel's arrival. Yet earth guardians aren't indestructible...as Saint Death is about to prove. Myth and history collide in the second installment of what Publishers Weekly called "one of the best indie novels of 2015."

From reader reviews:

Paul Otoole:

What do you ponder on book? It is just for students since they are still students or the item for all people in the world, what the best subject for that? Just simply you can be answered for that question above. Every person has different personality and hobby for every other. Don't to be compelled someone or something that they don't would like do that. You must know how great and also important the book Saint Death: A Reagan Moon Novel (Volume 2). All type of book would you see on many solutions. You can look for the internet resources or other social media.

Richelle Johnson:

Your reading sixth sense will not betray a person, why because this Saint Death: A Reagan Moon Novel (Volume 2) publication written by well-known writer we are excited for well how to make book which might be understand by anyone who read the book. Written inside good manner for you, dripping every ideas and composing skill only for eliminate your personal hunger then you still question Saint Death: A Reagan Moon Novel (Volume 2) as good book not only by the cover but also with the content. This is one guide that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick this specific!? Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.

Bruno Reed:

In this particular era which is the greater man or who has ability in doing something more are more special than other. Do you want to become certainly one of it? It is just simple solution to have that. What you need to do is just spending your time not very much but quite enough to get a look at some books. One of the books in the top checklist in your reading list is usually Saint Death: A Reagan Moon Novel (Volume 2). This book and that is qualified as The Hungry Slopes can get you closer in growing to be precious person. By looking right up and review this reserve you can get many advantages.

Vanessa Gilliam:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Saint Death: A Reagan Moon Novel (Volume 2) can make you sense more interested to read.
