The Philosophy of Music: What Music Can Do for You (Classic Reprint) Harriet Ayer Seymour
Excerpt from The Philosophy of Music: What Music Can Do for You

The name of this book was formerly What Music Can Do For You. It has been renamed The Philosophy of Music because of its essentially philosophic nature, for the study of music is no longer presented mechanically, as of old.

Thousands of people who studied music when they were young have given it up when they married, or when they went to work, or became absorbed in some way. They still love it, and go wistfully to concerts, longing to understand, regretting that they gave it up.

Why is this the case? We have talked to and taught a great many people and find two vital causes back of this condition:

1. They have neither time nor desire for endless scales and exercises.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
