With a few ticks of the second hand and the quick strokes of a fountain pen, young Yvonnah loses everything familiar to her, including her name. Clinging to her half of a wishbone that holds a precious promise, she embarks on a new and often bewildering life. Told from a child's perspective and intertwined with nostalgic adult recollections, Lacey remembers with comical inquisitiveness her life on the rural Delmarva Peninsula in the 1960s amid unlikely friendships, tragedy, healing, and God. *The Trees Will Clap* is a novel for those who have ever wondered where God is in the midst of heartbreak and for those of us who have found Him there.
