Fast and furious thrills from a series that has taken the book world by storm. Mess around with time and the world you know could become a world you don't! Liam O'Connor should have died at sea in 1912. Maddy Carter should have died on a plane in 2010. Sal Vikram should have died in a fire in 2029. But instead, they were saved. An instant before death, someone said "Take my hand..." Snatched from death by a mysterious agency that exists to fix broken history, the trio become TimeRiders: travelling through time to stop others from meddling with the past. Launched into death-defying adventures, they find themselves running from dinosaurs, battling ancient curses and coming face to face with Jack the Ripper. Will they be able to keep the future safe? This pack contains 8 paperbacks: Time Riders; Gates Of Rome; Mayan Prophecy; City of Shadows; The Doomsday Code; The Pirate Kings; Day Of The Predator; The Eternal War.
