**Two Vagabonds in Languedoc: Classic Portrait of a French Village (Travellers)** Jan Gordon

*The Two Vagabonds in Languedoc* is just one of a number of titles by Jan and Cora Gordon which sold immensely well in the USA when first published in the 1930s. They were very popular in the US and toured here. *Two Vagabonds in Languedoc*, written in 1925, is their charming and evocative sketch of the French village of Najac. Return today to the very same village on the border of the Departments of Tarn and Aveyron and many of the landmarks mentioned are still there; nowadays life goes on much the same.
