Bawss

David Weaver

Bawss David Weaver

When the first slaves were brought into America, they were weaker, more complacent; and had semi-tolerable attitudes. But when the slave-masters sought to get more production out of their plantations, they decided that they needed to kidnap a stronger group of slaves. When they kidnap the Bawss tribe, however; they realize that their bloodline was too dominant and too powerful. Can the slave-masters ever recover from the likes of the greatest and strongest bloodline that they have ever been introduced to? Or will America be forced to witness power on the most grande of all levels? Experience the journey of the Bawss blood-line as it begins in the 1600s, and impacts America in the 1950s through the 80s with Jakob Bawss- and the introduction of a drug that no one in America had ever seen before. As David Weaver has often said before, this book is not about slavery; this is about freedom! This is about love and respect and honor. This is about dignity. This is about the difference between small-minds and great minds. Power against bloodline. This is the adventure of a lifetime! ~By far, this is David Weaver's deepest and most dramatic tale to date! ~Just when David Weaver was serving urban fiction candy, he came from nowhere and serves up a steaming plate of hot soul food. ~Bawss to David Weaver is what "Roots" was to Alex Haley. Raw, uncut; and with no emotion hidden; trust assured- that this poetic story is an instant modern classic, as it will be for many years to come. Toni Morrison fans will love this epic installment of African American literature.
