Casket of Souls (Nightrunner) Lynn Flewelling

The Nightrunners are back in this gripping novel full of Lynn Flewelling's trademark action, intrigue, and richly imagined characters.

More than the dissolute noblemen they appear to be, Alec and Seregil are skillful spies, dedicated to serving queen and country. But when they stumble across evidence of a plot pitting Queen Phoria against Princess Klia, the two Nightrunners will find their loyalties torn as never before. Even at the best of times, the royal court at Rhíminee is a serpents' nest of intrigue, but with the war against Plenimar going badly, treason simmers just below the surface.

And that's not all that poses a threat: A mysterious plague is spreading through the crowded streets of the city, striking young and old alike. Now, as panic mounts and the body count rises, hidden secrets emerge. And as Seregil and Alec are about to learn, conspiracies and plagues have one thing in common: The cure can be as deadly as the disease.

From reader reviews:

Mike Yerkes:

Reading a guide tends to be new life style within this era globalization. With reading through you can get a lot of information that may give you benefit in your life. With book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only the storyline that share in the publications. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their talent in writing, they also doing some analysis before they write to their book. One of them is this Casket of Souls (Nightrunner).

Sandra Snyder:

The e-book with title Casket of Souls (Nightrunner) contains a lot of information that you can understand it. You can get a lot of advantage after read this book. This particular book exist new know-how the information that exist in this guide represented the condition of the world at this point. That is important to you to learn how the improvement of the world. This kind of book will bring you inside new era of the the positive effect. You can read the e-book on the smart phone, so you can read that anywhere you want.

Kathleen Edwards:

The reason? Because this Casket of Souls (Nightrunner) is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will surprise you with the secret the item inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content inside of easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of benefits than the other book get such as help improving your talent and your critical thinking approach. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.

Patricia Henderson:

What is your hobby? Have you heard that question when you got scholars? We believe that that query was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. So you know that little person including reading or as reading through become their hobby. You have to know that reading is very important in addition to book as to be the point. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You see good news or update concerning something by book. Numerous books that can you choose to adopt be your object. One of them is actually Casket of Souls (Nightrunner).
