Streetwise gangster Smooth normally has all of his bases covered. But a breach within his organization hints that he might be losing his touch. The traitors' actions result in Smooth being arrested and tossed in the Federal Pen. Leaving his lover and partner in crime China all alone. She tried to coax him into going straight. Maybe he should've listened? But the worst is yet to come. Without Smooth in the picture his rivals now see an opening. One that begins and ends with eliminating China. However her biggest threat may come from a completely unexpected source. A threat so deceptive and unique... even someone as shrewd and perceptive as China could be fatally seduced by its charms.
