My Little Secret Anna J.

Midori Hunter has it all, including a midnight black Aston Martin Vanquish S parked in the driveway of the mini-mansion she shares with her husband, Dr. Ray Hunter. On the outside looking in, one would think Midori is happy, but it's another story when you don't marry for love, but rather for financial gain.

Tired of her cheating husband and fed up with being lonely, Midori takes a liking to Jaydah B., the sassy, sometimes cranky bestselling author who has drama of her own that she hasn't quite figured out how to deal with. They appear to be a match made in heaven, but when the lies that both women have told threaten to be exposed, who decides who stays and who goes? Midori and Jaydah have a lot on the line, and both could lose everything they've worked for. That's why their love affair has to remain their little secret.
