## **Sing-song** Anne Kennedy

This collection of poetry deals with the domestic life of a family, mother, father, and two small children, and in particular about the grueling experience of eczema from which the little girl suffers. Told from the mother's point of view and set amid moves of house, the pressures on a bicultural household, and endless fruitless encounters with healers of many kinds, the poetry turns into a moving and profoundly recognizable picture of the strains, anxieties, fatigue, and desperation of parenthood.
