The Laws of Solon: A New Edition with Introduction, Translation and Commentary D. F. Leão, PJ Rhodes

Solon (c 658-558 BC) is famous as both statesman and poet but also, and above all, as the paramount lawmaker of ancient Athens. Though his works survive only in fragments, we know from the writings of Herodotus and Plutarch that his constitutional reforms against the venality, greed and political power-play of Attica's tyrants and noblemen were hugely influential-and may even be said to have laid the foundations of western democracy. Solon's legal injunctions covered the widest range of topics and issues: economics and labour; sexual morality; social issues; and society and politics. Yet despite their fame and influence (and Solon's life and work generated a lively reception history), no complete edition of these writings has yet been published. This book offers the definitive critical edition of Solon's laws that has long been needed. It comprises the original Greek fragments with English translations, commentaries, a comprehensive introduction and important comparative Latin texts. It will be enthusiastically welcomed by specialists in ancient Greek language and history.

From reader reviews:

Martha Furman:

Spent a free a chance to be fun activity to try and do! A lot of people spent their free time with their family, or their particular friends. Usually they doing activity like watching television, gonna beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Can be reading a book might be option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to consider look for book, may be the e-book untitled The Laws of Solon: A New Edition with Introduction, Translation and Commentary can be very good book to read. May be it is usually best activity to you.

Margaret Gentile:

Precisely why? Because this The Laws of Solon: A New Edition with Introduction, Translation and Commentary is an unordinary book that the inside of the book waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book beside it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking technique. So , still want to delay having that book? If I were being you I will go to the reserve store hurriedly.

Joshua Cameron:

This The Laws of Solon: A New Edition with Introduction, Translation and Commentary is completely new way for you who has curiosity to look for some information mainly because it relief your hunger info. Getting deeper you into it getting knowledge more you know or you who still having small amount of digest in reading this The Laws of Solon: A New Edition with Introduction, Translation and Commentary can be the light food for you because the information inside this book is easy to get simply by anyone. These books create itself in the form that is certainly reachable by anyone, sure I mean in the e-book web form. People who think that in guide form make them feel drowsy even dizzy this e-book is the answer. So there is not any in reading a e-book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book sort for your better life as well as knowledge.

Willie Carlos:

What is your hobby? Have you heard that will question when you got learners? We believe that that query was given by teacher with their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person including reading or as reading through become their hobby. You need to understand that reading is very important along with book as to be the thing. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You get good news or update with

regards to something by book. Amount types of books that can you go onto be your object. One of them is actually The Laws of Solon: A New Edition with Introduction, Translation and Commentary.
