*Giving: A Bible Study Wordbook for Kids* is a great introduction for children on money and biblical stewardship.

Ideal as an aide to parents, Sunday school teachers, and children's ministry directors, this book teaches children a number of lessons concerning giving, such as:

- Why we give (reasons like blessing God and helping the church grow)
- How we should give—and how much
- What kind of attitude we should have as we give

Designed especially for kids in grades 2–5, this wordbook's **activities include connecting the dots and coloring pages. Students will be able to design their own offering envelope, read the story of "Alex and the Lemonade Stand," and count a coin pile.**

Altogether, the lessons and activities help children learn a biblical and cheerful view of giving.

\* This book is part of *The Children's Wordbook* series, by Richard Todd, and is most beneficial when used alongside the wordbooks, which cover *salvation, baptism, communion, giving, and church*. They are great resources for parents and teachers who want to teach children of these fundamental Christian doctrines.
