## **His Until Sunrise (an Indigo Falls romance) (Volume 1)** Joy Avery

After learning her boss has scheduled a mandatory team-building excursion, financial planner Nona Rogers panics. What does she know about camping? Nada. Zilch. Heck, she doesn't even like picnics. And the thought of sleeping amid bugs and wild animals knots her stomach.

No way can she risk looking like an idiot in front of her colleagues. Taking proactive measures, she acquires the services of a guide to give her a crash-course in camping. Seven days living off the land. How hard could it be? Nona swallows those words when she meets the sexy titan tasked with leading her into the wild. Getting mauled by a bear quickly becomes the least of her worries.

Mason Tinsdale's first love has always been oil rigging. But a horrible accident has him doubting the job--more importantly, himself. Seven days in the Indigo Falls wilderness is just what he needs to sort out his thoughts. Then he meets Nona Rogers. He's convinced the gorgeous woman is going to be far more trouble than she's worth. And he's right. However, there's something about the feisty vixen that makes her irresistible.

Two guarded hearts. Seven days alone. An attraction that can't be denied.
