Louis XIV

John B. Wolf

Louis XIV John B. Wolf

Professor Wolf focuses on the problems of high politics and war, which intrigued Louis and were his instruments of power. Without ignoring the fact that Louis was also a son, husband, lover, and father?as well as king?he gives us a striking new image of Louis as “soldier administrator” and a vivid, accurate picture of the king’s impact on the military machine after 1691, his part in the drama of war and in the emergence of a new Europe.

Although Louis XIV was a vitally important figure in European history, he has found no satisfactory biographer until now. The memorists, particularly Saint-Simon, have “fixed” the traditional image of Louis so firmly it is difficult to see him in any other light. John B. Wolf, challenging the myths and biases, has based this important study on Louis’ own documents, his diaries, decrees, and hundreds of the king’s letters from the archives at Vincennes (hereto-fore almost unexploited). He presents the king as he appeared to his ministers, his diplomats, and his soldiers, rather than to the gossips of his court.

From reader reviews:

Ernie Swisher:

What do you in relation to book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your spare time? Or are you busy individual? If you don't have spare time to perform others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. They need to answer that question because just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this Louis XIV to read.

Mary Bingham:

The reason why? Because this Louis XIV is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book get such as help improving your skill and your critical thinking approach. So , still want to hold off having that book? If I had been you I will go to the e-book store hurriedly.

Bruce Butera:

Beside that Louis XIV in your phone, it could possibly give you a way to get more close to the new knowledge or details. The information and the knowledge you can got here is fresh in the oven so don't be worry if you feel like an old people live in narrow small town. It is good thing to have Louis XIV because this book offers for your requirements readable information. Do you oftentimes have book but you seldom get what it's all about. Oh come on, that will not happen if you have this in your hand. The Enjoyable blend here cannot be questionable, just like treasuring beautiful island. Use you still want to miss it? Find this book along with read it from today!

John Casteel:

Within this era which is the greater particular person or who has ability to do something more are more treasured than other. Do you want to become one of it? It is just simple method to have that. What you have to do is just spending your time not much but quite enough to get a look at some books. One of many books in the top collection in your reading list is actually Louis XIV. This book and that is qualified as The Hungry Hills can get you closer in getting precious person. By looking up and review this guide you can get many advantages.
