The Biggest Fight: Michael Watson's Story Michael Watson, Steve Bunce

This is the autobiography of Michael Watson, the former Commonwealth Middleweight champion whose career was tragically cut short. In a huge match against leader Chris Eubank, Watson caught his neck on the back of the ropes after taking an uppercut from Eubank. He collapsed and suffered serious brain damage that left him paralysed. After years of intensive therapy, and with the same determination and strength of spirit that he showed in the ring, Michael Watson has made a remarkable recovery and won the biggest fight of all—the fight for his life.
